

About This Guide

This *ZENworks 7 Linux Management Administration Guide* includes conceptual and task-based information to help you configure and maintain your ZENworks system.

IMPORTANT: ZENworks 7 Linux Management Interim Release 1 (IR1) is available June 9, 2006. If you are not using IR1, you should obtain and install it.

A master Technical Information Document (TID) contains download and installation instructions and a list of the updates to Novell ZENworks 7 Linux Management since its initial release. For more information, see TID 10097387 in the [Novell Support Knowledgebase \(http://support.novell.com/search/kb_index.jsp\)](http://support.novell.com/search/kb_index.jsp).

For a brief overview of important features and additions to ZENworks Linux Management IR1, see [June 9, 2006: Interim Release 1](#) in [Appendix H, “Documentation Updates,”](#) on page 469.

The guide is organized as follows:

- [Part I, “General Management,”](#) on page 17
- [Part II, “Device Registration,”](#) on page 47
- [Part III, “Policy Management,”](#) on page 69
- [Part IV, “Package and Content Management,”](#) on page 147
- [Part V, “Preboot Services,”](#) on page 209
- [Part VI, “Hardware and Software Inventory,”](#) on page 335
- [Part VII, “Remote Management,”](#) on page 351
- [Part VIII, “Event Monitoring,”](#) on page 365
- [Part IX, “Reports,”](#) on page 385
- [Part X, “Appendixes,”](#) on page 395

Audience

This guide is intended for ZENworks administrators.

Feedback

We want to hear your comments and suggestions about this manual and the other documentation included with this product. Please use the User Comment feature at the bottom of each page of the online documentation, or go to www.novell.com/documentation/feedback.html and enter your comments there.

Documentation Updates

For the most recent, updated version of the *ZENworks 7 Desktop Management Administration Guide*, visit the [Novell ZENworks 7 documentation site \(http://www.novell.com/documentation/zenworks7\)](http://www.novell.com/documentation/zenworks7).

Additional Documentation

ZENworks 7 Linux Management is supported with other documentation (in both PDF and HTML formats) that you can use to learn about and implement the product:

- *Novell ZENworks 7 Installation Guide*

In addition, the other capabilities included in the ZENworks 7 suite have extensive documentation for your use. For a full list of this documentation, see the [Novell ZENworks 7 documentation site \(http://www.novell.com/documentation/zenworks7\)](http://www.novell.com/documentation/zenworks7).

Documentation Conventions

In Novell documentation, a greater-than symbol (>) is used to separate actions within a step and items in a cross-reference path.

A trademark symbol (®, ™, etc.) denotes a Novell trademark. An asterisk (*) denotes a third-party trademark.

When a single pathname can be written with a backslash for some platforms or a forward slash for other platforms, the pathname is presented with a backslash. Users of platforms that require a forward slash, such as UNIX, should use forward slashes as required by your software.
